

Information for “Meet the Professor Session” Presenters

See also [Information for Poster Presenters](#) & [Information for Speakers](#)

Session objective

Meet the Professor Sessions are an hour long and take place during the lunch break on Sunday, Monday and Tuesday of the meeting. The sessions are limited to around 50 participants and are intended to be less formal and more interactive than symposia, thus providing participants with the opportunity to ask questions and share ideas in a more relaxed environment.

Presentation format

To prevent the session from becoming too much like a standard lecture, and in line with the usual Meet the Professor format, we request that presenters use a flip chart and/or overheads as opposed to lots of PowerPoint slides.

However, if you feel that you would like to use slides to set the scene or to help start discussion, a maximum of 3 slides may be used providing you bring your own laptop and notify us in advance, no later than **Friday 8 April, 2011**.

Handouts

Handouts may be distributed to participants. MCI will photocopy 50 copies of a maximum of 20 pages. These must be emailed to science@ectsoc.org no later than **Friday 8 April, 2011**.
